**RE: DEEPWATER HORIZON
FPN: N10036**

Dear Sir or Madam:

On April 21, 2010, the Federal On-Scene Coordinator determined that the DEEPWATER HORIZON and the undersea well located at Mississippi Canyon 252 discharged oil into the Gulf of Mexico. The U.S. Coast Guard initiated pollution removal actions and the Federal Government has incurred and continues to incur costs. Under the Oil Pollution Act of 1990 (33 USC 2701 et seq.), responsible parties and guarantors are jointly and severally liable for the costs incurred. Enclosed is the fourth bill associated with this project. This is a demand for full payment. Additional removal costs will be billed as the response continues to progress.

Subj: DEEPWATER HORIZON

Explanation of Costs

"CG Equipment" Total cost of Coast Guard-owned equipment used during the removal action based on standard hourly rates published in Commandant Instruction 7310.1 (series). Standard rates typically include crew complement, fuel, maintenance, field operational support, administrative support and depreciation.

"CG Personnel" Total cost of Coast Guard personnel (both military and civilian employees), other than crew complements, used to conduct, direct and/or monitor the removal action or settle claims based on standard hourly rates published in Commandant instruction 7310.1 (series). Standard rates reflect average pay, allowances, government contribution to employee benefits (e.g. FICA, medical), training, change of station, and unfunded retirement costs. Actual costs of travel or per diem are not included - see "CG Travel".

"CG Personnel – Reserve" Total cost of Coast Guard Reserve personnel, other than crew complements, used to conduct, direct, and/or monitor removal actions or settle claims (similar to "CG Personnel" explained above). Coast Guard Reserve personnel frequently augment regular Coast Guard military and civilian in all facets of response operations especially on large and or long-term pollution incidents.

"TAD/TDY" Total cost of travel and per diem for Coast Guard personnel employed to conduct, direct and/or monitor the removal action or settle claims. Per diem (meals and lodging) rates are specified in the Joint Federal Travel Regulations but only actual lodging expenses are reimbursed. Travel costs are based on federal contract carrier rates on commercial aircraft or actual costs of rental cars, etc.

"CG Purchases" Total cost of purchases of materials or services by the Federal On-Scene Coordinator (FOSC) in support of the removal action or to settle claims. Actual costs without sales tax. Examples of typical purchases: replacement of damaged equipment or consumables, lodging and meals for CG personnel at the removal action (in lieu of per diem), transportation of CG equipment (GBL), film used to photograph the oil discharge and damage. Purchase Orders are prepared by a CG Contracting Officer.

"Marine Safety Lab" Total cost for oil samples tested by the CG Marine Safety Lab at Groton, CT to determine the source of a discharge. Costs are based on standard charges for each test and depend on the number of samples.

"EPA Personnel" Total cost of EPA personnel used to conduct, direct and/or monitor the removal action based on actual hourly salary and benefits costs.

"EPA Travel" Total cost of EPA travel to conduct, direct and/or monitor the removal action. Per diem (meals and lodging) rates are specified in the Joint Federal Travel Regulations but only actual lodging expenses are reimbursed. Travel costs are based on federal contract carrier rates on commercial aircraft or actual costs of rental cars, etc.

"EPA-Indirect Costs" EPA's indirect costs consist of the administrative costs of EPA's Headquarters and Regional offices that provide administrative support to the rest of the Agency. Also included are depreciation costs as well as the costs of fringe benefits funded by the Office of Personnel Management. Also included are the Regional administrative support costs that are incurred on a regional level.

"EPA or CG Contract" Total costs for equipment, labor and materials used by a commercial cleanup contractor hired by the Federal On-Scene Coordinator (FOSC) for the removal action or to settle claims. Also, total costs of Technical Assist Team (TAT) or Superfund Technical Assist and Response Team (START) contract support based on rates approved by the EPA Contracting Official. Each EPA region has its own TAT/START contractor. The contractor's invoice is based on rates agreed to by the Contracting Officer. The FOSC certifies on each invoice that the work was performed and that it was consistent with the National Contingency Plan (NCP) 40 CFR 300.

"Site Specific IAG" (Inter-Agency Agreement) A financial instrument that provides funding to EPA FOSCs (Federal On-Scene Coordinators) for certain oil spill incidents. These financial agreements may be used for cases that involve: lengthy removal actions; large project ceilings; multiple agencies; complex contracting mechanisms; or some other condition that requires extra management attention.

"PRFA" (Pollution Removal Funding Authorization) An agreement and financial obligation by the Federal On-Scene Coordinator (FOSC) to reimburse another government agency (federal, state or local) for assistance during the removal action. The PRFA specifies which removal activities will be reimbursed and establishes a dollar limit. The agency that is subject to a PRFA becomes a "contractor" for the FOSC but may hire a commercial cleanup contractor to perform the actual work. Each reimbursement under a PRFA is a separate line item on the billing.

"Claim Paid" Payment made by the National Pollution Funds Center (NPFC) by type of claim and claimant. Types of claims: (A) natural resources, (B) real or personal property, (C) subsistence use, (D) revenues, (E) profits and earning capacity, (F) public services, or (G) removal costs. The Responsible Party (RP) is liable for damages resulting from the oil discharge or substantial threat of a discharge 33 USC 2702 and 2715. Example: Claim Paid (B) - ABC Resort Hotel, this is a property damage claim paid to ABC Resort Hotel for which the NPFC is seeking reimbursement from the RP.

"INRDA" (Initiate the Assessment of Natural Resource Damages) Payment made by the National Pollution Funds Center (NPFC) via an Inter-Agency Agreement (IAG) with a Federal Lead Administrative Trustee per Executive Order 12777 to initiate the assessment of natural resource damages. This funding is made available per Section 6002(b) of the Oil Pollution Act of 1990 and covers Pre-assessment Activities as outlined in 15 CFR 990, Subpart D.

RIGHTS, RESPONSIBILITIES, COSTS AND COLLECTION ALTERNATIVES

YOUR RIGHTS. You have the right to an explanation of the basis and nature of the debt, an accounting and how we calculated the debt.

If you would like to inspect the documents that form the basis of the debt, please request a copy from the Case Officer assigned to your case. Copies will be provided free of charge. The Case Officer's contact information can be found on the billing letter.

You may dispute the information in the documents, submit additional material for consideration and request that we review or reconsider the determination of the debt.

You may request a written repayment agreement in lieu of paying the entire balance of your debt at one time. Reconsideration for other than prompt full payment requires a review of your financial condition, including access to recent income tax returns. If funds are collected in excess of the debt, they will be promptly refunded to you, unless prohibited by law.

INSURANCE COVERAGE. If you have insurance coverage, contact your insurance agent to determine whether your policy covers any of the costs you are being billed.

BANKRUPTCY. If you file for bankruptcy, or if you were in bankruptcy at the time of the incident and an automatic stay is in effect, you are not subject to any offset during the stay. Please notify us of the stay by sending evidence about the bankruptcy proceedings.

JOINT INCOME TAX RETURN. If you file a joint income tax return, contact the Internal Revenue Service before filing your return to protect the share of your spouse's tax return refund, IRS Form 8379 is required.

INTEREST. Any balance not paid within 30 days of the original bill notice is a delinquent balance. A delinquent balance will subject you to additional charges for interest from the date of delinquency.

TREASURY DEPARTMENT DEBT MANAGEMENT SERVICE (DMS). We are required to refer debts that are delinquent for 180 days to the DMS for further collection. If the delinquent debt is referred to DMS for collection, additional fees will be added to the amount due. Those fees will vary based on whether DMS collects the debt directly or through a private collection agency. Debts may be referred to the Justice Department for collection by litigation at any time.

TREASURY OFFSET PROGRAM (TOP). In addition to the above fees, you may be charged a fee for tax offset or federal salary offset if collection is made through TOP. A separate fee is charged each time a collection is made. The U.S. Treasury is not required to send notice to debtors before it offsets payments.

ADMINISTRATIVE OFFSET. The DMS may collect your debt through administrative offset. DMS may withhold money owed to you by the United States Government. The offset includes:

- Income tax refunds
- Certain Social Security benefits
- Black Lung benefits
- Salaries of Federal employees (up to 15% of current net disposable pay per pay period). The debtor may request a hearing
- Retirement benefits, including Railroad, Federal and military benefits
- Vendor or contractor payments
- Travel reimbursements and advances

ADMINISTRATIVE WAGE GARNISHMENT (AWG). The DMS may also collect the debt through administrative wage garnishment (AWG) without a court hearing. The DMS may contact your employer and garnish a portion of your net disposable pay. If AWG is used in the collection of the debt, you may request a hearing to review the debt by notification to the agency on or before the 15th business day following the mailing of the administrative wage garnishment notice. The notification will stay the withholding order until the debtor has been provided the requested hearing. Failure to timely request a hearing by notification to the agency on or before the 15th business day following the mailing of the administrative wage garnishment notice will still entitle you to a hearing upon request, but will not delay the withholding order. 31 CFR § 285.11(f).

CONSUMER REPORTING AGENCIES. The debt may be reported to consumer reporting agencies. The information that may be disclosed to consumer reporting agencies includes the debtor's:

- Name and Address
- Social Security Number
- Taxpayer Identification Number
- Amount, Status, and History of the debt
- The Program under which the debt arose

DELINQUENT DEBTS ARE A BAR TO CERTAIN FEDERAL PROGRAMS. Debtors owing money to the U.S. Government are barred from obtaining federal loans, including student loans and FHA mortgages, federal loan insurance, federal grants, or federal guarantees.

PENALTIES FOR MAKING FALSE STATEMENTS. Information provided by you must represent all material facts and must be true to the best of your knowledge and belief. Misrepresentation of facts in this matter is subject to prosecution under Federal law, including but not limited to 18 USC § 1001, and 31 USC § 3729.
